LO2415

Primo Envelope Openers

Product Info:

The LO2415 automatic envelope opener accelerates the distribution of mail by opening up to 100 envelopes per minute.

The automatic envelope feeder offers reliable throughput and the envelope guide assures smooth operation without any manual assistance.

Place up to 100 envelopes in the feeder and go; no time wasted waiting for your mail!

The Model LO2415 can handle envelopes of all sizes and up to 1/4" thick.

Product Features:

- Opens mixed sizes of envelopes automatically
- No Waste Disposal - the opener does not remove any part of the envelope leaving no waste to clean up
- Heavy Duty Construction - solid metal construction throughout
- Low Cost - machine pays for itself even for the small user
- Easy to Operate
